Dear Minister,

**STATEMENT OF EXPECTATIONS FOR GOULBURN VALLEY WASTE AND RESOURCE RECOVERY GROUP**

I write to acknowledge the receipt of your Statement of Expectations for the Goulburn Valley Waste and Resource Recovery Group (Goulburn Valley WRRG) received on 12 June 2020.

As we enter a new and exciting era within our sector, Goulburn Valley WRRG commits to continuing to consult with councils, businesses and communities in a highly collaborative manner and to work effectively with portfolio agencies to deliver Recycling Victoria: a New Economy.

Goulburn Valley WRRG is currently developing its draft Business Plan 2020-21 as further detail is conveyed to us about our final core administrative funding outcome. This together with the greater knowledge of Recycling Victoria program design that will emerge in coming weeks, will enable us to more fully define the specific support role that WRRGs will perform.

Our organisation looks forward to providing regional, expert support to Victorian Government initiatives that aim to ensure continuity of service, along with greater reliability and resilience in the sector over time.

Should you wish to discuss this matter, please do not hesitate to contact me on 0419896685.

Sincerely yours

Seema Abdullah  
Chairperson
